October in Philadelphia!

Ready or not, summer has officially surrendered to fall. We may temporarily mourn summer's passing, but Autumn brings its own distinctive pleasures. Crisp, cool air, football season, a kaleidoscope of color, and the best of all – a bountiful harvest of produce.

Fortunately, we live in a region with an abundance of lush farms that yield healthy fall favorites including apples, beets, broccoli, cranberries, leeks, mushrooms, brussels sprouts, cabbage, cauliflower, celery, chard, eggplant, kale, peppers, potatoes, pumpkins, squash, turnips, and even watermelon.

And don't forget, our merchants search far and wide to bring you the best the world has to offer 12 months a year. Exotic, specialty, organic, tropical, pre-cut, custom ripened, repackaged – we cover

all your produce needs.

Visit us at pwpm.net or, better yet, walk “the street” to experience October at the Market for yourself. You’ll soon understand our tagline, “fresh is our life’s work.”

Customer Shout Out!

Our customers range from home cooks to national supermarket chains. We love seeing everything in between – from corner stores, caterers, juice bars, restaurants, fresh delivery box services, market stands, wineries, schools, you name it! No matter the size or type of operation you run, we truly appreciate your business and your loyalty!
