Happy Holidays from the Philadelphia Wholesale Produce Market

In 2024, Christmas, Hanukkah, Kwanzaa, and New Year's Day all fall within a few days of each other!

All these celebrations signify love, hope, joy, and goodwill.

No matter WHAT and HOW you celebrate, December's festivities all share a commonality – healthy, delicious food. That's where we come in. We can show you what to savor about

December's wholesome goodness, including aromatic long-stem oranges, colorful and nutritious sweet potatoes, ruby red pomegranates, and savory brussels sprouts.

Whether you're helping your customers make important buying decisions for their stores or restaurants, choosing holiday gifts, or cooking for a small crowd, let the merchants of the Philadelphia Wholesale Produce Market guide you through the ethnic, religious, and cultural symbolism of fruits and vegetables as they relate to your celebration.

Wishing everyone a peaceful, happy, and healthy holiday season!
